The Institution:

The Rayapati Venkata Ranga Rao & Jagarlamudi Chandramouli (RVR & JC) College of Engineering was promoted by Nagarjuna Education Society, Guntur in the year 1985. The promoters of the college have pursued their mission with such a zeal and understanding that the college had over taken the older colleges Quantitatively and qualitatively. Today it is a most sought after institute offering 8 B.Tech Degree Courses, 4 M.Tech courses in Engineering, MCA & MBA.

- ❖ Youngest Engineering Institution to be accredited by National Board of Accreditation in 1998.
- ❖ The first Institution to secure accreditation for all the seven eligible courses in 2002, 2007 and 2012 by National Board of Accreditation.
- ❖ R.V.R. & J.C. College of Engineering is one among the 'Top-100' Engineering Colleges in India as per the ratings published by 'THE OUTLOOK MAGAZINE' successively for past several years.
- ❖ R.V.R. & J.C. College of Engineering is one among the 'Top-5' Engineering Colleges in Andhra Pradesh as per the latest recommendations by AFRC.

The Department:

Established in the year 1994 and offers B.Tech & M.Tech programmes in Computer Science & Engineering. The 4-year B.Tech programme enables a prospective student to acquire the knowledge, skills and attitude to succeed as a Engineer or Scientist in an industry built on computation technology. The department has experience significant growth over the last 16 years with a teach of faculty strong in theory & practical. The department is possessed with latest PC's about 350 numbers, with higher end rack servers. The campus was connected with OFC network and having internet facility of 16 Mbps.

Objectives of the workshop:

- ❖ To provide them skills and knowledge to generate multimedia contents like image audio, video and animations.
- ❖ To make them learn the principles of digital art, drawing, storyboarding, image editing and techniques in animation.
- ❖ Will be able to create movie clips, banners and flash presentations.
- ❖ With the addition of sound and scripting, will be able to create interactive flash applications for web
- ❖ To enable them to produce Animation using Adobe After Effects
- ❖ To enable them to generate 3D Models using Google Sketch Up

Course Content:

- ❖ Overview of Multimedia Tools and Authoring
- ❖ Introduction to Audio and Video Editing
- ❖ Introduction to Photoshop tools, layers, filters and image editing
- ❖ Introduction to Adobe After Effects for animation
- ❖ Introduction to Google Sketch up for 3D modelling
- ❖ Introduction to Flash drawing tools and layers
- ❖ Basic animation using motion tweening and shape tweening using Flash
- ❖ Symbols and instances for creating movie clips using Flash
- ❖ Flash Presentations
- ❖ Flash Action Script for adding interactivity and adding sound

R.V.R. & J.C. COLLEGE OF ENGINEERING
Chandramoulipuram, CHOWDAVARAM, GUNTUR - 522 019

REGISTRATION FORM

A one week NITTR ICT course on "Multimedia Tools and Utilities" 27th – 31st March, 2017

NAME : _____

DESIGNATION: _____
