Treasurer :

Dr. K. KRISHNA PRASAD, M.D., D.Ch.

Secretary & Correspondent :

R. GOPALA KRISHNA

Date.: 25-03-2020.....

Dear Students,

We are facing a very challenging time due to the panic caused by Covid-19 Virus. The state and central governments have been making several efforts to fight against Covid-19. In the present situation, the Management, Principal, all the teaching and non-teaching staff of RVR & JC College of Engineering request you to take the following safety measures to remain safe from the Virus.

- Wash your hands often with soap and water for atleast 20 seconds OR use an alcohol-based sanitizer if water is not available.
- Cover your cough or sneeze with a tissue and then throw the tissue into the trash
- When greeting a friend or relative, avoid physical contact i.e. shaking hands
- Avoid touching your eyes, nose and mouth with unwashed hands
- See that frequently-touched objects and surfaces in your house are cleaned and disinfected with a regular household cleaning spray.
- Maintain distance from person to person
- Avoid close contact with large groups of people
- Don't share food, drinks and personal belongings.
- Don't spit in public places
- If you have fever, cough and difficulty in breathing, seek medical care early.

During holidays, you can utilize your time by:

- ✓ Reading new books on the topics relevant to your discipline.
- ✓ Use online resources to improve your subject knowledge
- ✓ Any other useful innovative activity.

Please stay at home during nationwide lock down i.e. up to **14th April, 2020**, because stepping outside may be inviting corona virus.

Follow the above precautions and be safe.

With best wishes,

(Dr.A.SUDHAKAR)
PRINCIPAL
