GATEWAY TO JOBS

**Aim High:** 'Aim High, small aim is big crime'. Let sky be your limit, and star be your goal ! The mantra is, 'We learn to fly when we walk with the giants'. If you want to improve your English, move with friends who speak in good English. Have a dream and work on it. It's your life-plan well, Design well and executive well. The commonality of all great personalities is : Strategic Preparation and Hard Work. Associate only with people of refinement, culture, proved integrity and nobility. 90% of your success depends on your friends. Your friends should be your strength, not your weakness. Give top priority while choosing friends. If you realize this truth and change, and even now the world is ready to receive you with open arms.

**Why Aim High ? :** " If we want to lift an empty bucket ,we put less effort. If we see water in the same bucket we put more effort to lift. Our effort is naturally proportional to our goals. Nobody tells us, we put the required effort naturally. That is why, our goals must be great, aims must be high. If aim is high(like admission in IIM or IISc or MIT)efforts will be automatically high. That is yet another law of Nature (God)"

**Aim High , Aim IIM , Aim IISc , Aim MIT, Aim Oxford, Aim Stanford:** Aim High, low aim is big crime'. Aim IIMA, you may not get admission for MBA in IIM, Ahmadabad , you may get IIM Calcutta or IIM, Indore or IIM, Kozhikode. Today the IIM pass outs are opening to develop as entrepreneurs

**Be Fearless :** There are about 160 known phobias like stage fear, fear of cats, fear of water, fear of blood, fear of devils etc. Vivekananda said "Leave fear, the world is st your feet, you'll be the master of the world and change the picture of the world. If you don't leave fear, you're sure to lead a life full of desperation ,dissatisfaction , frustration and un happiness". The mantra is "**Leave Fear , Shyness and Laziness and the whole world will dance to your tunes !**" "Being shy is not an excuse for non-communication. Your shyness and being nonresponsive or indifference may be interpreted as 'rude behavior' or 'arrogance'

**Contentment:** " **Expect the best , prepare for the worst, Accept whatever comes gracefully , as the gift of God**".

**Experience :** Experience is the greatest teacher in the world. But to learning everything through experience only , one life is not sufficient. The wisest person is one, who compresses time by treating others' experience as his owne experience i.e. he learns from other's mistakes.

**Think Globally :** Think Globally, but ,work locally. One who receives a stranger with love and courtesy is the Citizen of the World. The World is flat and realize that one person alone can change the picture of the whole world. If you think may ,you may! If u think you can , you can!! If you think will , you will !!!
