(Total number of programmes accredited vide this letter - seven)

Strengths & Weaknesses of above programmes are being shortly sent separately for necessary action at your end.

The Accreditation grades awarded to the degree programmes of your institution do not imply accreditation to the College/Institution as a whole. Full name of the Degree Programme, Grade awarded and the period of validity of accreditation as well as the date from which the award is effective, should be quoted unambiguously whenever it is used.

Contd...2
The grade(s) awarded to the above programmes of your College/Institution are on the presumption that the Institute would maintain at least the current standards in future. If there are any changes that would effectively alter the grade (such as, major changes in faculty availability or changes in the management structure, etc.) after the award of the accreditation grades, the same shall be communicated to the NBA with an appropriate explanatory note.

Yours sincerely,
