  - I Year M.C.A. II Semester - commences from 22-10-2020.
  - I Year M.B.A. II Semester - commences from 22-10-2020.

Academic Council appreciated the efforts of the Principal, Controller of Examinations and the staff for successfully conducting the Final Semester End Examinations in a smooth manner and the declaration of the results in just four days from the date of the last examination. The Academic Council also advised to complete the Even Semester End Examination(s) process for the remaining programmes for the AY2019-20 by taking all the necessary precautions and safety measures due to COVID-19.

4. To Present the proposed plan of action to conduct Academic Activities and Events for the Academic Year 2020-21 in view of COVID-19 pandemic situation.

Dr. A. Sudhakar, Principal, proposed the following plan of action to conduct Academic Activities and Events for the Academic Year 2020-21 in view of COVID-19 pandemic situation.

- Academic calendar(s) for the AY 2020-21 were prepared for all the years of UG & PG Programmes offering by the Institute.
- Online classes for theory courses are going on smoothly for all the UG & PG programmes as per the scheduled time tables from 03-08-2020.
- Proposed to conduct the online First Internal Examinations from 5th October, 2020 as per the Academic Calendar.
- Proposed to conduct minimum TWO webinars by the eminent people from Industry and Academia on latest technologies to all the students in each semester.
- Proposed to shift the ongoing online classes to offline classes in the campus whenever the Government(s) permits.
5. To consider and ratify the Amendment(s) to R-16 Regulations of UG in Engineering to give provision to the students to undergo Project Work/Internship/Induction Training in Final Year Final Semester.

Dr. A. Sudhakar, Principal explained the present scenario that some MNCs are demanding the recruited students in the campus selections to undergo Internship in their Final Semester and also the importance of Project Work/Internship/Induction Training offered by the various Organizations/Industries and getting employment in the same organization where the Project Work/Internship/Induction Training is done.

The following Amendment to a Clause was proposed the addition of the clause 5.7 in the R-16 Regulations of UG Programmes.

Addition of Clause 5.7:

The Students are permitted to undergo Project Work/Internship/Induction Training in their Final Year Final Semester offered by the various Organizations/Industries. However they have to submit an undertaking stating that he/she will attend the internal and external examinations by studying the courses by their own in that semester. The attendance during that period will be considered by taking from the respective organizations/Industries.

Academic Council approved the addition of the clause 5.7 in the R-16 Regulations of UG Programmes.

6. To consider and ratify the Amendment to Clause(s) 5.5 and 6.4 in R-17 Regulations of PG in Engineering (M.Tech.).

Dr. A. Sudhakar, Principal, proposed the Amendment to Clause(s) 5.5 and 6.4 in R-17 Regulations of PG in Engineering (M.Tech.).

Existing:

5.5 Dissertation shall be carried out under the Supervision of a Faculty Member in the concerned department. A student may, however, in certain cases, be permitted to work on his Dissertation at the place of employment, any recognized Institution/R&D Organization/Industry with the approval of the Head of the Department concerned and Head of the Organization. In such cases, the dissertation shall be jointly supervised by a member of the faculty and a person from the Organization.

Proposed:

5.5 Dissertation shall be carried out under the Supervision of a Faculty Member in the concerned department.
• A student may, however, in certain cases, be permitted to work on his Dissertation at the place of employment, any recognized Institution/R&D Organization/Industry with the approval of the Head of the Department concerned and Head of the Organization / Industry. In such cases, the dissertation shall be jointly supervised by a member of the faculty and a person from the Organization / Industry.

• The student is eligible for the submission of M.Tech, Project Report at the end of the II Year II Semester if he/she passed all the credit courses in the previous semesters.

• In a special case, if any student unable to submit his/her Project Report at the end of the fourth semester due to any other reason permitted by the head of the Institution, he/she will be allowed to submit at a later date and the viva-voce examination will be conducted separately.

Existing:

6.4 For each theory subject, there is a comprehensive semester-end examination at the end of each semester.

Proposed:

6.4 For each theory subject, there is a comprehensive semester-end examination at the end of each semester. In addition to the Regular semester end examinations held at the end of each semester, supplementary examinations will also be conducted during the academic year. Such candidates taking the Regular / Supplementary examinations as supplementary candidates may have to take more than one examination per day.

Academic Council ratified the Amendment to 5.5 clause in R-17 Regulations of PG in Engineering (M.Tech.).

7. To consider and ratify the Amendment(s) to R-17 Regulations of PG Degree Programs (M.C.A & M.B.A).

Dr. A. Sudhakar, Principal, presented and proposed the amendment(s) to clause 7.11 for M.C.A. and addition of clause 7.3 for M.B.A. in R-17 Regulations of PG Degree Programmes (M.C.A. & M.B.A.) to Academic Council.

For M.C.A.:

Existing:

7.11 If any student failed in any subject, then he/she has to appear the Semester End Examination in that subject in the corresponding semester in subsequent academic year for a pass.

Modified:

7.11 In addition to the Regular semester end examinations held at the end of each semester, supplementary examinations will also be conducted during the academic year. Such candidates taking the Regular / Supplementary examinations as supplementary candidates may have to take more than one examination per day.
For M.B.A.:

Addition of Clause 7.3

In addition to the Regular semester end examinations held at the end of each semester, supplementary examinations will also be conducted during the academic year. Such candidates taking the Regular / Supplementary examinations as supplementary candidates may have to take more than one examination per day

Academic Council approved the proposed modifications to the clause 7.11 for M.C.A. & addition of clause 7.3 for M.B.A. in R-17 Regulations of PG Degree Programmes (M.C.A. & M.B.A.).

8. To consider and approve the Scheme & R-20 Regulations of Two Year PG Degree Program in Computer Applications w.e.f. the Academic Year 2020-21.

Dr.A.Sudhakar, Principal presented the Scheme & R-20 Regulations of Two Year PG Degree Programme in Computer Applications, which was discussed and reviewed in the recent BOS of MCA and Common BOS meetings. Academic Council was requested to approve the Scheme & R-20 Regulations of Two Year PG Degree Programme in Computer Applications and the same will be implemented after getting approval from the APSHE and ANU.

Academic Council approved the Scheme & R-20 Regulations of Two Year PG Degree Programme in Computer Applications and suggested to implement after getting permission from APSHE and ANU.

9. To present and approve the minutes of BOS Meetings of various UG & PG Programmes and Common BOS to Academic Council Meetings held in September, 2020.

Dr.A. Sudhakar, Principal presented the minutes of Common BOS meetings held on 24-09-2020.

And then, Dr.A.Sudhakar, Principal asked all the BOS Chairmen of UG & PG Programmes to present the minutes of BOS Meetings held on 22nd & 23rd September, 2020.

Dr.K. Ravindra, Chairman, BOS-ME, Dr. M. Rama Rao, Chairman, BOS-CE, Dr.Ch.V.Subrahmanyam, Chairman, BOS-ChE, Dr.K. Chandra Sekhar, Chairman, BOS-EEE, Dr.T. 2. To discuss and finalise the Regulations (R-20) related to UG programmes for the batch of students to be admitted into I-year from the academic year 2020-21.

Dr.A.Sudhakar, Principal presented the Regulations (R-20) related to UG programmes for the batch of students to be admitted into I-year from the academic year 2020-21.

[Signature]
Salient features of R20 Regulations are as follows:

(a) Skill oriented / Skill advanced courses framework:
- Five Skill oriented courses have been introduced from semester III Second Year to semester VII Final Year with 2 credits each.
- Out of the five skill courses two shall be skill-oriented courses from the same domain and shall be completed in second year.
- The remaining 3 skill courses, one shall be necessarily be a soft skill course and the remaining 2 shall be skill-advanced courses either from the same domain or Job oriented skill courses, which can be of inter disciplinary nature.
- If a candidate chooses to take a Certificate Course offered by industries/Professional bodies/APSSDC or any other accredited bodies, in lieu of the skill advanced course offered by the Department, the credits shall be awarded to the student upon producing the Course Completion Certificate from the agency/professional bodies as approved by the Board of studies.

(b) Honors / Minor Programme framework:
- A candidate shall be eligible to register for Honor or Minor degree along with regular B.Tech degree. A candidate shall earn 20 credits in addition to the 160 credits to get Honor / Minor degree along with regular B.Tech degree. A candidate shall be permitted to register either for Honors or for Minor and not for both simultaneously.
- A candidate shall be permitted to register for Honors / Minor program at the beginning of 4th semester subject to a maximum of two additional courses per semester, provided that the student must have acquired a minimum of 8.00 CGPA upto the end of 2nd semester without any backlogs.
- In case of the declaration of the 3rd semester results after the commencement of the 4th semester and if a candidate fails to score the required minimum of 8.00 CGPA, his/her registration for Honors / Minor Programme stands cancelled and he/she shall continue with the regular Programme.
- In case a student fails to meet the CGPA requirement for Degree with Honors / Minor at any point after registration, he/she will be dropped from the list of students eligible for Degree with Honors and they will receive regular B.Tech degree only. However, such students will receive a separate grade sheet mentioning the additional courses completed by them.
- A Candidate is eligible to opt for Honors Programme offered by the concerned Department/Discipline and he/she will be awarded B.Tech. (Honors) in the concerned Discipline.
- Candidates who are desirous of pursuing their special interest areas in chosen discipline of Engineering may opt for additional courses in minor specialization groups (Specialized Tracks) offered by the concerned department and he/she will get Major degree of concerned Discipline with minor degree of Specialized Track.
- In the case of Honors, out of 20 additional Credits to be acquired, 16 credits shall be earned by undergoing specified courses listed as pools, with four courses, each carrying 4 credits. The remaining 4 credits must be acquired through two MOOCs courses, which shall be domain specific, each with 2 credits and with a minimum duration of 8 weeks as recommended by the Board of studies.
- In the case of Minor, out of 20 additional Credits to be acquired, 16 credits shall be earned by undergoing specified courses listed by the concerned BoS along with prerequisites. It is the responsibility of the student to acquire/complete prerequisite before taking the respective course.
- A student shall be permitted to choose only those courses that he/she has not studied in any form during the Programme. The remaining 4 credits must be acquired through two MOOCs courses. The courses must be of minimum 8 weeks in duration. Student has to acquire a certificate from the agencies approved by the BoS with grading or marks or pass.
(c) Mandatory Internship framework:
- Students shall undergo mandatory summer internships for a minimum of six weeks duration at the end of second and third year of the Programme. A student will be required to submit a summer internship report to the concerned department and appear for an oral presentation before the departmental committee. The report and the oral presentation shall carry 40% and 60% weightages respectively.
- There shall also be mandatory full internship in the final semester of the Programme. In the final semester, the student should mandatorily undergo internship and parallelly he/she should work on a project with well-defined objectives. At the end of the semester the candidate shall submit an internship completion certificate and a project report. A student shall also be permitted to submit project report on the work carried out during the internship.

(d) MOOCs Course:
- A candidate shall complete two MOOC courses (One from Professional Elective course and another from Open Elective course) of 8/12 weeks in duration.
- Enrollment of MOOC course will be initiated from the date of commencement of class work for Semester V [Third Year].
- MOOC course completion certificate(s) must be submitted on or before the last instruction day of Semester VII [Fourth Year] to consider it for Regular evaluation. Otherwise it will be considered as Supplementary.
- A candidate has to pursue and acquire a certificate for a MOOC course only from the organizations / agencies approved by the concerned BoS in order to earn the 3 credits.
- List of organisations offering MOOC courses / List of courses will be announced by the respective Board of Studies at the time of commencement of class work for Semester V [Third Year].

(e) Gap-Year:
- Gap Year - concept of Student Entrepreneur in Residence shall be introduced and outstanding students who wish to pursue entrepreneurship are allowed to take a break of one year at any time after I year / II year / III year to pursue entrepreneurship full time.
- This period shall be counted for the maximum time for graduation. An evaluation committee at Institute / university level shall be constituted to evaluate the proposal submitted by the student and the committee shall decide on permitting the student for availing the Gap Year.

5. Any other item.

Dr.A.Sudhakar, Principal, proposed to consider the following item related to the “Promotion policy” to B.Tech. Programme for the academic year 2020-21.

The Members considered the proposal and resolved as follows:

a) Considering the UGC guidelines [Letter No.: D.O.No.F.1-1/2020 (Secy) dated 29th April,2020] and also unable to conduct the semester end examinations for the academic year 2019-20 before the commencement of the class work of Third and Fourth Years B.Tech. Programme for the academic year 2020-21 due to COVID-19 pandemic situation and subsequent lock down from March, 2020 onwards. Under these circumstances, all the Students, who are not eligible for promotion to Third and Fourth Years of B.Tech. Programme due to insufficient credits, are promoted to Third and Fourth Years B.Tech. Programme for the academic year 2020-21.
b) This promotion policy is applicable to the students to be studied in academic year 2020-21 only and for subsequent years i.e. from academic year 2021-22 onwards, promotion policy will be adhere to R12, R16 and R18 regulations.

As there is no other item for discussion, the meeting ended with thanks to the Chair.

SGPA is calculated based on the following formula:

\[
\frac{\sum (\text{No. of credits} \times \text{Gradepoints})}{\sum \text{No. of credits}}
\]

Conversion of CGPA into equivalent Percentage of marks:

Percentage of Marks = (CGPA-0.50)\times 10.0
