Resolutions:

1. The quality of food served in the canteen was discussed and found to be satisfactory.
2. Keeping in view the shortage of water during summer it was proposed to use water judiciously especially while cleaning the utensils. Instead of using taps directly it was proposed to collect water in buckets and use the same for wash purposes.
3. The water coolers were asked to be inspected by some of the members on regular basis and ensure that clean and safe water is supplied.
