## Modifications to clause 18.0 (Transitory Regulations) of R-12 Regulations

### Existing

#### 18.0 TRANSITORY REGULATIONS

A Candidate, who is detained or discontinued in the semester, on readmission shall be required to do all the courses in the curriculum prescribed for such batch of students in which the students joins subsequently. However, exemption will be given to those candidates who have already passed in such courses, which he / she had passed in the earlier semester(s).

- 18.1 A student, following the Acharya Nagarjuna University (ANU), Guntur curriculum, detained due to lack of academics/attendance at the end of the first semester of second year, shall join the autonomous batch of third semester. Such students will study all the courses prescribed for that batch, in which the student joins. The first year marks shall not be converted into course credits. However, the student has to clear all the first-year backlog subjects by appearing the supplementary examinations, conducted by ANU, Guntur and courses prescribed by Autonomous stream for the award of Degree. The class will be awarded based on the academic performance of a student. Such candidates will be considered on par with lateral entry candidates of autonomous stream and will be governed by regulations applicable to lateral entry candidates' category.
- 18.2 A student, following ANU, Guntur curriculum, detained due to lack of academics / attendance at the end of the second semester of second year and also at the subsequent semesters, shall join with the autonomous batch at the appropriate semester. Such candidates shall be required to pass in all the courses in the programme prescribed by concerned BOS for such batch of students, to be eligible for the award of degree. However, exemption will be given in all those courses of the semester(s) of the batch, which he./ she had passed earlier. The student has to clear all his/her backlog subjects by appearing the supplementary examinations, conducted by ANU, Guntur and College (Autonomous stream) for the award of degree. The class will be awarded based on the academic performance of a student in the autonomous pattern.

**18.2** A student, following ANU, Guntur curriculum, detained due to lack of academics / attendance at the end of the second semester of second year and also at the subsequent semesters, shall join with the autonomous batch at the appropriate semester. Such candidates shall be required to pass in all the courses in the programme prescribed by concerned BOS for such batch of students, to be eligible for the award of degree. However, exemption will be given in all those courses of the semester(s) of the batch, which he / she had passed earlier. The student has to clear all his/her backlog subjects by appearing the supplementary examinations, conducted by ANU, Guntur and College (Autonomous stream) for the award of degree. The class will be awarded based on the academic performance of a student in the autonomous pattern. Such candidates will also be considered on par with lateral entry candidates of autonomous stream and will be governed by regulations applicable to lateral entry candidates' category.

**18.3** A candidate, transferred from other institutions / universities after completing 1<sup>st</sup> year B.Tech., shall join II/IV B.Tech. 3<sup>rd</sup> Semester of R-12 batch. Such students will study all the courses prescribed for that (R 12) batch, in which the student joins. The first year marks shall not be converted into course credits. However, the student has to clear all the first year backlog subjects/equivalent subjects by appearing the supplementary examinations conducted by the college in R-12 curriculum courses / equivalent courses. Such candidates will be governed by the regulations applicable to lateral entry candidates of R-12 batch for the award of the degree"

2. Discussed about the modifications to clause 18.0 (Transitory Regulations) of R-12 Regulations and resolved to modify as follows:

#### **18.0 TRANSITORY REGULATIONS (MODIFIED)**

A Candidate, who is detained or discontinued in the semester, on readmission shall be required to do all the courses in the curriculum prescribed for such batch of students in which the student joins subsequently. However, exemption will be given to those candidates who have already passed in such courses, which he / she had passed in the earlier semester(s).

**18.1** A student, following the AcharyaNagarjuna University (ANU), Guntur Regulations/curriculum (CR), detained due to lack of academics/attendance at the end of the first semester of second year, shall join second year Autonomous batch of third semester. Such students will study all the courses prescribed for that batch, in which the student joins. The first year marks/credits shall not be converted into course credits. However, the student has to clear all the first year backlog subjects by appearing the supplementary examinations, conducted by ANU, Guntur. Such candidates will be considered on par with lateral entry candidates of autonomous stream and will be governed by regulations applicable to lateral entry candidates' category.

**18.2** A student, following Acharya Nagarjuna University (ANU),Guntur Regulations/curriculum (CR), detained due to lack of academics / attendance at the end of the second semester of second year and also at the subsequent semesters will follow the same regulations/curriculum (CR) of ANU and he/she has to complete the course by appearing the examinations conducted by AcharyaNagarjuna University, Guntur. The class will be awarded based on the academic performance of a student in ANU Regulations (CR).

**18.3** A student, transferred from other institutions / universities into II/IV B.Tech., 3<sup>rd</sup> semester shall join 2<sup>nd</sup> year Autonomous Batch of 3<sup>rd</sup> semester. Such students will study all the courses prescribed for that batch, in which the student joins. The first year marks / credits shall not be converted into course credits. However, the student has to clear all the first year backlog subjects by appearing the supplementary examinations conducted by the concerned college / university. Such candidates will be considered on par with lateral entry candidates of Autonomous stream and will be governed by regulations applicable to the lateral entry candidates category.
