

**R.V.R & J.C College of Engineering, Guntur-19**

**(Autonomous)**

**DEPARTMENT OF CIVIL ENGINEERING**

NOTICE

01.12.2018

This is to inform that ICI Students Leadership Committee Members for 2018-19 are finalized.

The following candidates are the ICI Students Leadership Committee Members.

- Student President: K.Rama Rao (Y16CE875)
- Student Vice-President: P.G.R.V.Prasad (Y16CE915)
- Student Secretary: V.Abhinay (Y17CE166)
- Student Treasurer: J.T.M.V.Sairam (Y17CE065)

*M Rama Rao*  
(Dr.M.Rama Rao)

H.O.D., C.E

Copy to:

1. To read in classrooms of II, III and IV years.
2. All staff members.
3. Notice board
4. File.
5. Mr.L.N.K.Sai Madupu and N.V.Sairam Kumar

**R.V.R & J.C College of Engineering, Guntur-19**

**(Autonomous)**

**DEPARTMENT OF CIVIL ENGINEERING**

NOTICE

28.11.2018

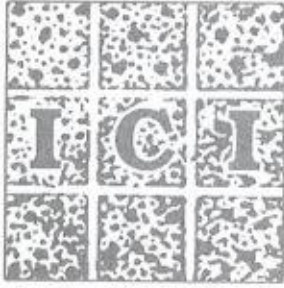

This to inform that all the registered ICI student members and interested staff members are requested to attend the meeting on ICI student chapter for announcement of Student Leadership Committee Members at Room No SJ 402 at 3.00 p.m, 29.11.2018 (Thursday).

*M. Rama Rao*  
(Dr.M.Rama Rao)

H.O.D., C.E

Copy to:

1. To read in classrooms of II, III and IV years.
2. All staff members.
3. Notice board
4. File.
5. Mr.L.N.K.Sai Madupu and N.V.Sairam Kumar

**ICI Students Chapter**  
**RVR & JC College of Engineering**  
**Department of Civil Engineering**  
**Chowdavaram, Guntur-19**

01.02.2019

A one day National Seminar on '**Sustainable Materials and Techniques in Concrete Structures**' (**SMTCS 2019**), being organized by the Department of Civil Engineering, in association with Indian Concrete Institute Students Chapter and Indian Geotechnical Society, Guntur Chapter on 23<sup>th</sup> February, 2019.

Venue: SJB-Seminar Hall.

Time: 10.00 a.m to 4.00 p.m.

  
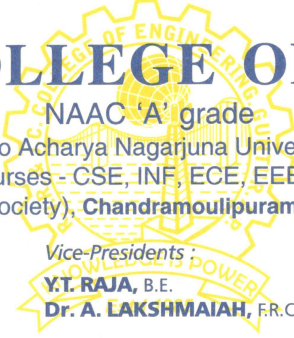

L.N.K.Sai Madupu  
(Staff Coordinator)

*M. Rama Rao*  
Dr.M.Rama Rao  
HOD, Dept., of Civil Engg.

Copy to:

1. To read in classrooms of II, III and IV years.
2. All staff members.
3. Notice board
4. File.
5. Mr.L.N.K.Sai Madupu and N.V.Sairam Kumar

# R.V.R. & J.C. COLLEGE OF ENGINEERING

(AUTONOMOUS)

Approved by AICTE :: Affiliated to Acharya Nagarjuna University :: Permitted by Govt. of A.P.  
Accredited by NBA : B.Tech., Courses - CSE, INF, ECE, EEE & MEC from 2017-18 to 2019-20  
(Sponsored by Nagarjuna Education Society), Chandramoulipuram, Chowdavaram, GUNTUR-522 019 (A.P.)

President :

**Dr. K. BASAVAPUNNAIAH**, M.B.B.S.

Vice-Presidents :

**Y.T. RAJA**, B.E.  
**Dr. A. LAKSHMAIAH**, F.R.C.S.

Treasurer :

**Dr. M. GOPALKRISHNA**, M.S.

Secretary & Correspondent :

**R. GOPALA KRISHNA**

RC.NO: R&J/CED/2018-19/

Date.....19.02.2019.....

To

Sri. K.Venkata Raman,  
Treasurer, ICI Vijayawada Center,  
Vijayawada.

Sub: Invitation to attend ICI Students chapter inaugural function –Reg.

Respected sir,

R.V.R. & J.C. College of Engineering (Autonomous), Guntur established in 1985 is one of the premier engineering colleges in Andhra Pradesh in the self-financing category. Promoted by Nagarjuna Education Society, this is the most sought after college in the region. The institute offers seven B.Tech. degree programmes, five M. Tech. programmes, MBA and MCA. R.V.R. & J.C. College of Engineering is accredited by NAC and departments are accredited five times by NBA.

Recently we got permission to start **ICI Students chapter** in our institution, in this connection Department of Civil Engineering in association with IGS-Guntur Chapter is going to organize a one-day workshop on “**Sustainable Materials and Techniques in Concrete Structures**” on **23rd February, 2019 (Saturday)** for the benefit of students, staff and professional engineers etc along with the formal inauguration of ICI students chapter. We planned three expert lectures on that day.

On behalf of RVR&JCCE, We request you to kindly attend the inaugural function of ICI students chapter and address the participants.

Thanking you,

Yours sincerely,

Dr. K.SRINIVASU  
(Principal)

**National Seminar on “Recent Advances in Pavements for Infrastructure  
Development” (RAPID)**

**19<sup>th</sup> March, 2016**

**INAUGURAL FUNCTION**

**PROGRAMME**

- |                    |   |
|--------------------|---|
| 09-15AM to 09-17AM | Inviting Dignitaries on to the dias                       |
| 09-17AM to 09-20AM | Prayer by Miss. Snigdha and Miss Monica of III year Civil |
| 09-20AM to 09-23AM | Lighting the Lamp   |
| 09-23AM to 09-27AM | Welcome Address by the President                          |
| 09-27AM to 09-30AM | About Seminar by Organising Secretary                     |
| 09-30AM to 09-33AM | Address by Chairman of the Seminar                        |
| 09-33AM to 09-36AM | Address by Chairman, IGS, Guntur Chapter                  |
| 09-36AM to 09-38AM | Introduction of Guest of Honour                           |
| 09-38AM to 09-44AM | Address by the Guest of Honour                            |
| 09-44AM to 09-46AM | Introduction of The Chief Guest                           |
| 09-46AM to 09-51AM | Inaugural Address by the Chief Guest                      |
| 09-51AM to 09-54AM | Release of CD   |
| 09-54AM to 09-57AM | Mementoes to Chief Guest and Guest of Honour              |
| 09-57 AM           | Vote of thanks  |

### About RVR & JC College of Engineering

R.V.R.&J.C. College of Engineering (Autonomous), Guntur established in 1985 is one of the premier engineering colleges in Andhra Pradesh in the self-financing category. Promoted by Nagarjuna Education Society, this is the most sought after college in the region. The institute offers seven B.Tech. degree programmes, five M. Tech. programmes, MBA and MCA.

R.V.R. & J.C. College of Engineering is one of the few engineering colleges that was accredited five times in 1998, 2002, 2007, 2012 & 2017. The college consistently figured among the top 100 engineering colleges in the country and was awarded the Best Performing Engineering College in the Acharya Nagarjuna University Examination results. The college is accredited with 'A' grade by NAAC in 2014.

### About Dept.of Civil Engg.

The department of Civil Engineering, established in 1985, offers B.Tech programme in Civil Engineering and M.Tech programme in Structural Engineering. The department has well experienced and committed teaching staff and highly skilled and motivated technical staff to provide quality education. Civil Engineering department is accredited and awarded 'A' grade for three consecutive times. The department has well established and state-of- the-art laboratories to cater to the needs of the students.

### About IGS-Guntur Chapter

Inaugurated in the year 2003, IGS Guntur Chapter has been one of the most vibrant chapters of the national professional body. The chapter, which has over 700 members, has organized several conferences, seminars and work-shops, the most significant being IGC-2009.

### About Indian Concrete Institute (ICI)

Indian Concrete Institute is one of the leading professional bodies in India, catering to the professional needs of individuals and organizations involved in Concrete. Being a non-profit Organization, it is dedicated to the cause of disseminating knowledge on concrete, to promote

Concrete Technology and Construction and to address the Research Needs of Concrete. ICI embraces budding civil engineers through ICI Students Chapters. The very objective of these students' chapters is to bridge the gap between their theoretical knowledge and what is being practiced in the field. Their involvement in ICI activities help them shape themselves to face the challenges in the field, when they come out of the Institutions and enhance their Employability Quotient.

### About the Workshop

Sustainability in wide sense is the ability to preserve a certain process or entity over a long period without affecting ecology and biodiversity, which leads to constructive production and environmental balance. One of the reasons for the recent infrastructure development across the country is the technological betterment of concrete production. The prime aim of a concrete technologist is to make the concrete strong and durable, like stone, with minimum effort. During the recent course of time, many trials of incorporating sustainable materials in the concrete mix are successful in order to achieve the above aim in a close reach. Flowable concrete made easier the casting of different shapes like flowers, leaves, textures, curves in high rise structures with excellent surface finish.

Various chemical admixtures are invented to produce special concretes and highly viscous concrete mixes. While acknowledging the present trends in sustainability in concrete production, scope for further improvements like, controlling loss of slump/flowability for allowing delay in casting, delay in setting at higher doses of chemical admixtures, compatibility of chemical admixtures with cement, economy in production of flowable concrete is noteworthy. This workshop will provide a platform for academicians, engineers, builders and students to discuss the latest technological advances in concrete world.

### Who should Attend

This seminar is open to practicing engineers from government and private organizations, academicians, contractors, consultants, graduate and post-graduate students of Civil Engineering.

### Registration Fee

Category		Before 20 <sup>th</sup> Feb, 2019	After 20 <sup>th</sup> Feb, 2019
Students	ICI/IGS Member	Rs.200/-	Rs.300/-
	Non-ICI/IGS Member	Rs.300/-	Rs.400/-
Faculty & Engineers	ICI/IGS Member	Rs.300/-	Rs.400/-
	Non-ICI/IGS Member	Rs.400/-	Rs.500/-

### Payment

All payments should be made through Cash/DD drawn in favour of "R.V.R & J.C College of Engineering" Payable at Guntur.

1. **Register** through the following google form link.  
<https://goo.gl/forms/gyOGTIWMT0gsh8kB3>

2. Students who are willing to participate in **Poster Presentation competition** register on/before 21/02/2019 after completing above registration for the workshop through the following google form link.  
<https://goo.gl/forms/VXx9nswLhGROBBC3>

### Sponsorship

Category	Sponsorship fee	Free delegates
Diamond	25,000/-	6
Platinum	20,000/-	4
Gold	15,000/-	3
Silver	10,000/-	2
Bronze	5,000/-	1

Dr.P.Ch.Sanjeeva Rao,Professor,RVR&JCCE  
Dr.A.S.Prasad,Professor,RVR&JCCE

## Schedule

10.00-10.45A.M	Inagural function of Workshop and ICI Students Chapter
10.45-11.00A.M	Tea Break
11.00-12.00 Noon	Lecture 1: "Effect of negligence at site leading to deterioration of concrete structures" by Er. Umesh Rao, Former President ACC, Bangalore.
12.00-01.00P.M	Lecture2: "Cement free concrete with alkali-activated fly ash and slag" by Prof. K.V.L Subramanyam, IITH, Hyderabad.
1.00-02.00P.M	Lunch Break & Poster Presentation
2.00-3.00P.M	Lecture3: "Copper Slag Concrete" by Dr. T.Ch.Madhavi, Prof. & HOD, CE, SRM University, Ramapuram Campus, Chennai
3.00-4.00P.M	Vote of Thanks

on  
**“Sustainable Materials and Techniques in Concrete Structures”**  
**(SMTCS 2019)**  
23<sup>rd</sup> February 2019 (Saturday)

**Poster Presentation Competition**

Students may participate in Poster presentation Competition. Following are the details of the competition.

- Maximum two students per team.
- B.Tech., Civil Engineering students.
- Drawing sheet size: 750mm x 540mm.
- Registration to the workshop is compulsory.
- Themes:
  - Special concretes like High performance concrete, Light weight concrete, FRP, SCC, High volume fly ash concrete, Pervious concrete, Polymer concrete, Air entrained concrete, Geo-polymer concrete etc.
  - Concrete supporting forms
  - Concrete batching plants
  - Concrete Admixtures
  - Sustainable concrete making materials ( Flyash, GGBS, Copper slag, Micro silica Etc)
  - Innovative concrete structures

There is cash prize along with certificate for winners. 1<sup>st</sup> Prize: Rs. 2000/-, 2<sup>nd</sup> Prize: Rs. 1000/-
