### **Innovation and Incubation Center**

Since transforming inventions that infuse and drive economic development R. V. R & J. C College of engineering has started Innovation and Incubation Center on 15.02.2015.

This cell aims to coordinate, synergize and leverage the various standard of excellence driving innovation and entrepreneurship in a thriving ecosystem consisting of innovative and creative ideas.

A beginning is done to nurture the ideas of our students and transform them into useful products for the society.

#### Objectives:

- > To develop and encourage a spirit of innovation and nurture the innovative ideas of the students by providing mentoring and necessary infra structure facilities.
- To provide a platform for promoting creativity by organizing workshops, seminars or informal conferences on topics related to Startup culture.
- > To promote knowledge driven and technology based start-up ventures by students, faculty, Alumni, other local entrepreneurs and employee turned entrepreneurs.

### Innovation and Incubation Center

The following members of Innovation and Incubation Center are requested to make it convenient to attend the meeting to be held on 12-09-2016 at 2:30 PM in Management room to discuss the items mentioned in the agenda.

#### Agenda:

- To discuss about the encouragement of students to display projects and innovative ideas in the context of Engineer's day 2016.
- 2. To discuss about the arrangements to be made to display the projects by the students in the context of engineer's day 2016.
- 3. To encourage the students to participate in the project EXPO being organised elsewhere in the country.
- To encourage the students to participate actively in the world space week conducted by SHAR in the college.

#### **Innovation and Incubation Center**

The following members of Innovation and Incubation Center are requested to make it convenient to attend the meeting to be held on 09-09-2019 at 2:30 PM in Management room to discuss the items mentioned in the agenda.

#### Agenda:

- 1. To discuss about the encouragement of students to display projects and innovative ideas in the context of Engineer's day 2019.
- 2. To discuss about the arrangements to be made to display the projects by the students in the context of engineer's day 2019.
- 3. To encourage the students to participate in the project EXPO being organised elsewhere in the country.
- 4. To conduct internal HACKATHON-2020 as a preparatory towards SIH-2020.
