Department of Computer Applications

Minutes of the Department Development Committee (DDC) meeting of
Computer Applications department held on 06.04.2017 at 11.00 AM at
HoD's chamber, HiTech Block.

- 1) Status of the equipment was discussed and found the following.
 - All Desktop PCs containing 4GB RAM, but, it is not sufficient for using latest software. Recently, Hadoop laboratory course was introduced in MCA curriculum by the University. It requires minimum 8GB RAM capacity. The same was discussed and decided to upgrade RAM capacity to 8GB or higher.
 - 1KVA UPS systems to be procured for allocating a PC to all senior faculty members.
 - All computers to be installed with latest software.
- 2) ICT facility in class rooms was discussed and decided to provide UPS supply to PCs/LCDs located in all class rooms, to avoid inconvenience in case of power failures.
- 3) Discussed and decided to establish a multidisciplinary research center covering Machine Learning.
- 4) Furniture repairs were discussed and decided to initiate the action, to complete the repairs.
- 5) Discussed and decided to apply for funding agencies to conduct workshops, FDPs, etc.
- 6) Discussed and decided to arrange atleast one guest lecture in a semester, covering latest trends / technologies.
- 7) Discussed and decided to organise technical seminars / workshops / FDPs for the benefit of the students & staff for upgrading their knowledge.
- 8) Discussed and decided to identify and communicate organisations which will provide internship programmes for final year MCA students.
