4. Any other item with the permission of the Chair.

The following are the recommendations of the external experts in the BOS Civil Engineering meeting held on 2nd January, 2016 on the proposed curriculum.

1. Every theory period is considered as one credit.
2. Every tutorial/ laboratory period is considered as ½ credit.
3. Suggested to offer 2,3 and 4 credit courses depending on the number of theory / tutorial / laboratory periods.
4. Suggested to adopt 6 Theory + 2 Labs or 5 Theory + 3 Labs policy in each semester.
5. Suggested to make two papers in physics and chemistry as a single paper.
6. The proposed curriculum is not choice based. It may be made choice based by offering less number of compulsory core subjects and offering more elective subjects.
7. Suggested to offer more practical oriented subjects. Experts advised to register to obtain free software offered by AICTE, Microsoft Institutional licensed material, IIRS etc. and appropriate design and analysis tools may be adopted and included.
8. Suggested to include subjects such as Engineering Economics, Safety Management etc.
9. To offer elective subjects in Mathematics, Physics, Chemistry, Humanities, Management Sciences, Computer Applications, Entrepreneurship.
10. Suggested to offer specialization / stream wise electives to make the students strong in their interested field of specialization.
