(Autonomous)

C I R C U L A R

October 22, 2019

As per the information and directions from the Women Development and Child Welfare Department, Govt. of AP with the reference Rc. No. 122/Y.S.R.K.V./D.A./DCPU/2019, dated 15/10/2019, the Y.S.R.Kishori Vikasam Schemes works as a peer group motivational program where in **Peer Group Trainers(P.G.T.s-Male and Female)** from colleges conduct for school going adolescent children, which is being initiated from 6th to 10th class students in all schools (Private and Govt.) Polytechnic colleges, Junior Colleges and I.T.I.s across the state from 11th October, 2019 to 31st January 2020 with the following themes:

1. Child marriages
2. Child Abuse
3. Child Trafficking
4. Anemia & Nutrition
5. Menstrual Hygiene Management for Girls
6. Women and Children Schemes and activities
7. Women Help Line-181 and One Stop Centre (Sakhi)
8. Role of Village & Ward Secretaries / Volunteers and their involvement
9. Mahila Mithra & Cyber Mithra

Benefits for PGTs :

1. Each P.G.T. will get a “**Certificate of Participation**” for training of Trainers Programme.
2. Each P.G.T. will get a **Service Certificate** from the concerned district authorities.

Further, it is informed that the training of P.G.T.s will be one day / two day non-residential orientation training of P.G.T.s. Each student should take the consent from their parents through a signed consent form to work as a P.G.T. After training as P.G.T., the students are deputed to schools (Private and Govt.) Polytechnic colleges, Junior Colleges and I.T.I.s for two or three hours of one or two days during the next semester before January 31st

2020. The students will be accompanied by faculty members.

Hence the **III B.Tech (both Boys and Girls)** students who are interested to act as **P.G.T.s**, give their Roll Numbers, Name & Mail Address on or before **24/10/2019** to the following faculty member through Mails.

Report on Stress management:

A guest lecture on ‘Stress Management’ was organized by the Lady Advisory Committee-LAC of RVR&JCCE, for Semester III [Second Year] B.Tech and lady staff members. Mr. Jagadeesh Chittala, an Isha volunteer and Upayoga instructor, Isha Foundation Guntur Center, Guntur, acted as the resource person. The event was held at the Silver Jubilee Block on Friday, 5th July 2019 from 01.00pm to 2.30pm.

Sri Ch. Jagadeesh elicited the root cause for stress and its impact on overall wellbeing. He proclaimed on managing self and being happy from within. In his words, ‘stress is not a precious emotion to cherish. One should understand that, human mechanism has a user manual called yoga, which acts like an antidote to stress’. He advised the students to do yoga in order to enhance their capabilities to the fullest. Committee Convenor, Professor G.Sudhavani concluded the session advising the students to practice yoga to overcome self-induced diseases of modern life style. She felicitated the guest with an honorary memento.

Report

The programme is arranged on “An orientation on Behaviour and Discipline of girl students” by the Lady Advisory Committee for girl students of I B.Tech on 5/10/2018. Calling for ‘balance’ between the rights of the students and the needs of the college environment in terms of efficiency ,respect and appropriateness, Dr. M.Sreelatha Professor & Head, Dept. of CSE conveyed her concerns over inappropriate attire. Students were advised to ‘dress decently’ and ‘respect the institution and its values’and were advised to dress in a dignified manner so as to maintain the decorum of the institution. Dr.K.Sujatha , Assistant Professor, Department of Mathematics and Humanities, focused on emotional imbalance, ways of facing emotional challenges ,increasing concern of parents and teachers about the welfare of teenagers. Dr.D.Rajani Assistant Professor, Department of Mathematics and Humanities, dealt with stress management ,suggested different stress reduction techniques, as students ‘emotional stability ’was a significant predictor of college achievement, behind conscientiousness(including trait like dependability, perseverance and work ethics).

Report on Femi Quiz-2k17

On behalf of lady advisory committee, Femi Quiz -2k17 was conducted on 22/7/2017 for all the girl students of RVR & JC College of Engineering. The main theme of this event is “Women achievement & Great women personalities”. The main objective of this event is to test the knowledge of girl students regarding great women personalities who succeeded in their life. Each team consists of two members. The quiz is comprised of three rounds along with a round for screening. The teams are posed with questions about significance of wearing the ornaments by women, in which they need to explain why? In another round, visuals of various internationally renowned women in different walks of life are displayed and asked few questions about the woman personality in the visual. In the short breaks during the quiz, some questions are posed even to the audience and gave them compliments accordingly. Informal events are also conducted in between the rounds. Prizes are awarded to the prize winners.

Report on Role Play

“Students are great imitators, give them something great to imagine and imitate.” Keeping this in mind, a Role Play Competition based on the “Women Personalities/themes” which was some message oriented, was organized on 19/9/2017 (Tuesday) by Lady advisory committee (LAC) for the girl students of under graduate and post graduate courses. The objective of this competition was not only to blend learning with fun but also to develop confidence in the young women. It also extends the imaginary and brain storming power of students. The excitement of our young actors knew no bounds as they waited eagerly for their turn to perform. Resplendent in their costumes and glowing in all their finery, they emulated the renowned Scientists/Teachers/Freedom Fighters etc, and their Role Models with confidence and passion. The students highlighted the achievements of great personalities and real time problems of women in their play. It proved to be a great learning experience for the young Engineers to showcase their potentials.

Report on First Aid and Basic Life Support:

The Indian Women Network (IWN) AP&TS, Confederation of Indian Industry (CII), Hyd, conducted a demonstration programme on First Aid and Basic Life Support, under the aegis of the CII Wing of RVR and the Lady Advisory Committee of the college, on 28th October for the first and final year B. Tech, MCA and MBA girl students. Dr.V. Nagalakshmi, Vice-Chairperson, (IWN & CII) , Hyd, explained the need for public awareness and the initiative to be taken for checking atrocities on women at vulnerable places like work stations, public places, in travel etc. Further, Dr.Sai Sandeep Gupta, Neurologist, Ramesh Hospitals, Guntur, educated the audience with the measures to be taken for saving the lives of brain and heart attack victims. He explained the role of addictive chemicals like alcohol, tobacco and psychological disturbances like hypertension and obesity in the early onset of brain and heart attack. The programme concluded with the demonstration of the measures to be taken as a first aid of heart attack, using a mannequin by Mr.K.Gopi Krishna, BLS, AHA Instructor of Ramesh Hospitals .

Report on Healthy Life Style:

In view of imminent need for a healthy life style habit cultivation among the youth, particularly, the young girls, the college Lady Advisory Committee organized a guest lecture on 26th October for third year B. Tech, MCA and MCA girl students. Dr.M. Madhavi Latha, Associate Professor in Physiology from NRI Medical College, Guntur, delivered a highly informative lecture on knowledge, attitude and practice for a healthy life style. Dr. Madhavi impressed upon the students, the need for adoption of small changes in life style for a healthy, prolonged life and in turn for an efficient performance in one's attitude. A special mention and guidance was given to the girl students to address the common health issues, related to menstruation, obesity etc.

Report on International Women's Day

International Women's Day (8th March 2016) was celebrated in the college with a plethora of events that offered motivation, knowledge and entertainment to all the lady members of the college. Dr.G.Sudha Vani Professor in ECE and convener of Lady Advisory Committee welcomed the gathering and added a note on the awareness of women laws for effective implementation. She inspired the students to excel in academics and extracurricular activities and emulate great women of the past and the contemporary world to achieve success in life. Firstly, women staff members who were conferred into doctorate degrees during the year 2015– 2016 were felicitated amidst the applause by the audience. Secondly, the achievements of the lady staff members in the inter collegiate sports competitions were applauded to motivate the going budding engineers to spare time every day for an interested sports / games activity to keep both the mind and the body healthy. The highlight of the celebrations was the conduct of 'Ms Green' competition held in these segments: 'Green Attire', 'JAM', 'Quiz' on achievements of some internationally renowned women in different walks of life. A photography competition conducted with the theme "Women with Nature". Cumulative scores obtained in the two segments by the participants were considered for adjudging first, second prize members along with prize amounts. Before the cultural session, Dr.A.Srikrishna Head of IT department, and Dr. M.Srilatha, HOD of CSE department addressed the students with a thought provoking and motivating lectures well received by the audience. The girl students enjoyed colorful cultural performance with wonderful dances and skits.

Report on stress control

Lady advisory committee of our college has organised a lecture by His Grace Sri Satya Gopinath Prabhujī coordinator of ISKCON, South India and President of ISKCON temples at Guntur, Rajahmundry and Ananthapur on 22nd April 2015 during 2:00 pm to 4:00 pm in SJB Seminar Hall, on stress control for I/IV B. Tech girl students. Prabhujī spoke on moral values and spirituality to improve the ethics leading to reduction of stress in life. He spoke extensively on Dharma and extolled on its principles. He stressed the need for everyone to follow austerity and to be truthful in order to be mentally pure and to eliminate violence in life. He quoted from the epic Mahabharata about the virtue of being a good citizen and gave example of the kalidev prasnas to Yudhistira. He brought the importance of parents in guiding the life and career of offspring. In this connection, he mentioned the good work being done by ISKCON in inculcating good behaviour, spirituality, and ethical living. He mentioned that failures are stepping stones for success and imparted everyone to take failures in their stride and do good to society and finally he concludes on saying the importance of Hare Krishna mantra.

Report on International Women's Day

All around the world, International Women's Day represents an opportunity to celebrate the achievements of women while calling for greater equality. Each year International Women's Day (IWD) is celebrated on March 8. This year RVR and JC College of engineering also had taken an initiative to celebrate International Women's Day under the banner of Lady Advisory committee of the college. Dr.G.Sudha Vani the convenor of the committee welcomed the gathering and added a note on the awareness of women laws for effective implementation. She conveyed that this is the time to uphold women's achievement, recognize challenges and focus greater attention on women's rights and gender equality to mobilize all peoples to do their part. The principal of the college added his note as International Women's Day is a time to reflect on progress made, to call for change and to celebrate acts of courage and determination by ordinary women who have played an extraordinary role in the history of their countries and communities. On this occasion, Dr.Kota srinivasu Head Civil engineering department acquainted the students about the background of how women's day came into existence and the importance of it. Dr.M. Sreelatha Head-Computer science, Dr.A. Srikirishna Head information technology, Dr.K.Sobha Head- Biotechnology, and Dr.karthik pavan, professor IT department gave their valuable piece of advices for the gathering. The event was marked by cultural activities of girl students and lady faculty members from various departments. The events were planned to entertain and enlighten and tobring a lot of positive strength among various groups of women. The event concluded with vote of thanks proposed by Mrs.K. Kalyani, Faculty of chemistry.
