ACTIVITY REPORT 2019-2020

Title of Activity: Engineer's Day

Date & Venue: 15-09-2019, SJB Seminar Hall

Description of Event: Engineer's Day was celebrated in RVR & JC college of Engineering on 15-09-2019. On this occasion Technical exhibition was arranged. The college management and the guest Dr K HemaChandra Reddy chairman, AP State council of Higher Education inaugurated the exhibition. Many students participated in the exhibition.

DT: 30-08-2019

NOTICE

On the occasion of 52nd Engineers' Day, it is proposed to organize an Exhibition on 14th September, 2019. All the students of the College can participate in the exhibition. The exhibition is to bring out innovative ideas and hidden talents of the students.

All HODs are requested to give wide publicity among students about the exhibition and motivate them to prepare Exhibits to demonstrate and to explain the visitors.

Laboratory in-charges of various laboratories may be asked to educate students and can permit the models/charts/components available in their laboratories for display in the exhibition. It leads to consolidation of Basics of that particular branch students and will bring awareness among other branch students. If any proposals for new additional charts or models related to their laboratories are there for display, colour printouts related to their laboratories can be taken in the Civil Engineering Computer Centre and can be laminated or direct flexi boards can be displayed. Later, these models/charts can be displayed in their respective laboratories.

Other faculty can encourage and guide their respective branch students/project batch students of B.Tech., and M.Tech., for active participation and preparation of exhibits.

All HODs and faculty are requested to take interest and encourage/guide their students, so that the exhibition is more useful and meaningful.

For details, contact Prof.N.Nagamalleswara Rao, Convener, Innovation and Incubation Centre.

EXHIBITION

(ENGINEERS DAY – 15th September 2015)

Date.....

25-08-2015

On the occasion of 48th Engineers Day, it is proposed to organize an exhibition on 15th September 2015. All the students of the college can participate in the exhibition. This exhibition is aimed to bring out innovative ideas and hidden talents of the students.

The Engineers are to be with a broad range of competencies and skills to synthesize new ideas, develop new processes and technologies to address contemporary challenges and to create products to suit global needs.

With this goal, the students will be encouraged to actively read recent advances in their fields of study, learn the concepts, create models and share their knowledge with fellow students by explaining the technology behind their exhibit.

The models prepared by the students will be useful and help the teaching learning process and will be kept in laboratories. The students will be paid expenditure incurred based on the recommendations of the HODs.

All HODs are requested to give publicity among students about the Exhibition and motivate them to prepare Exhibits to demonstrate and to explain to the visitors. Laboratory in-charges of various laboratories can educate students and can permit the models/charts/components available in their laboratories for display in the exhibition.

Active participation leads to consolidation of Basics of that branch and will bring awareness among other branch students.

All faculty members are also requested to encourage and guide their respective branch students / project batch students of B.Tech. and M.Tech. for active participation and preparation of exhibits, so that the exhibition is more useful and meaningful.
